Will call for more next meeting

Calendar for 2013 has been submitted 8 race meetings and 3 practice days.

The TKC have approached us and indicated that they would like to see us install a dirt section for Supermoto racing.

We have spoken with a few interested parties in a very informal manner, to gauge their reaction to the concept.

The executive feel that this would be a worthwhile addition to the track - The ability to promote Supermoto , coupled with the introduction of Supersingles next year , will give the Supermoto riders the opportunity for 8 races per meeting - they currently have 4 .This may increase nominations for Club meetings , and aligns RRAT with the Makotrac and Whitsunday Motosport Club facilities.

We want form a 3 member RRAT sub-committee, to:

-Assist with design

-Establish costs of the modification

-Assist with establishment

We want to get this right, and be ready for our first meeting in 2013.

Nominations – Jarod Koppel, Scot Roots and Josh Cummings

Motion to proceed with track – Pat Heyman

Seconded – Scott Roots

Vote Carried

Race Van

Currently using Gary's van and we need one that is road worthy and regularly driven.

NO Sidecar/Ute or Trailer

Call for members to keep eye out for suitable van

Tire deal

Link International have partnered with Lockes Motorcycle Tyre Service to make Pirelli tyres available to RRAT members at significant discount on RRP . Will be uploaded on www.rrat.com.au ASAP.
