The Kart club have reported that they are happy with the new motard section.

**5.2** Ads are in Old Bike and we have committed \$1500 for advertising to this magazine.

**5.3** FNQRR have applied to the Junior Development fund to hold a training day after the interclub at the end of May. Racing will be on Saturday with training the following day.

**5.4 TT update.** Supp Regs are on the web. The weekend will essentially be 2 meetings. We will hold the historic and road racing until around 5pm on Saturday and then a full Motard only night meeting. Sunday will continue the historic and road racing. Victorian competitors from last year have committed to return this year.

Last year was a very profitable race and to continue this this year we will need sponsorship. There is a letter available which has some good information and packages for potential sponsors contact Jeanette by mobile 0417600682 or email [JP.Clifford@bigpond.com](mailto:JP.Clifford@bigpond.com). This will ensure we only send one letter to sponsors.
